Brandon Mitchell

Frontend Developer

SUMMARY

A detail-oriented developer with a history of working well on teams in a variety of fast-paced environments. Through my previous experiences, I have learned how to collaborate and communicate well in a team environment while working remotely. I consider myself to be passionate about creating unique user experiences through fully responsive designs, while also keeping them accessible for any user.

WORK EXPERIENCE

Product Operations Developer at Gloo | Remote

March 2023 — January 2024
